

Unit 4 - Causes of Change

Activity 1 - Stations Activity

Name _____

Date _____ Period _____

At each station you will be asked to perform one or more activities and fill in some data below.

1. Draw a 3-panel cartoon that represents the station and what is happening at that station. You will probably want to choose a beginning, middle, and end point for each of your 3 cartoons.
2. For each panel in your cartoon, identify who or what stores the ability to cause change at that point in your station as identified by your cartoon.
